Submitted

In Sec 57, there is provision for the Supt of Stationery printing and supplying skeleton maps of districts of the size given in the Mysore Gazetteer with the position of the hobli traced thereon.

In para 5 of Appendix VI it is stated that Skeleton maps of the State of uniform size and character will be supplied on indent by the Imperial Survey Deptt.

The order of Govt. No 6624-33-9/37-04-8 dated the 28th January 1905 requires the Secretariat to keep in readiness a sufficient number of litho. copies of skeleton maps of each district on a scale of 4 miles to an inch, and this order, in my opinion, continues to be in force.

Submitted -

Fifty copies of the skeleton map of Mysore have been obtained from the Imperial Survey Depte through the Residency, and lodged in the G. & R. Secte Library. They are available for the purposes of Appendix VI of the Famine Code when required.

The P.W. Secte has given due attention to the Govt order of the 28th January 1905, and has lithographed copies of skeleton maps on a scale of 4 miles to an inch, of all the Districts

I learn that the Dr Surveyor have not yet sent the Superintendent of the Stationery Depot tracings of the skeleton maps of their respective districts in the size of maps given in the Gazetteer

Sir,

I am directed to invite your attention to the note attached to section 54 of the revised famine code in which it is provided that, for the purposes of the monthly report to be furnished when relief measures are in progress, maps of districts, of the size given in the Mysore Gazetteer, with the position of the hoblis as recently revised, traced thereon, should be supplied by the Superintendent of Govt Stationery on receipt of requisitions from the Deputy Commrs with tracings of the maps of their respective districts.

I am to ask you to be so good as to

over.
